🎓 Experienced Tutor | École Polytechnique | MSc in Mathematics

With an MSc in Mathematics from École Polytechnique and a BSc from Sorbonne University, I've been tutoring for 15 years. I specialise in IB Maths, A-Level, and IGCSE, using my advanced mathematics knowledge to help students succeed across multiple curriculums.

Teaches: IB Maths A-Level Maths IGCSE Maths GCSE Maths AP Calculus

Curriculum: IB A-Level GCSE IGCSE AP

Qualifications

École Polytechnique: MSc in Mathematics (2004-2006)

Sorbonne University: BSc in Mathematics (2000-2004)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the last 15 years, I have worked with students from a wide range of curriculums, including IB, A-Levels, and IGCSE, helping them achieve top grades. My approach focuses on developing a deep understanding of the subject while tailoring lessons to meet individual learning needs. I've had great success in preparing students for exams, particularly in IB Maths and A-Level Further Maths.

In addition to school-level teaching, I have supported undergraduates in tackling advanced mathematical topics such as differential equations and calculus. I'm passionate about ensuring each student builds a solid foundation in mathematics, allowing them to progress confidently into higher education or competitive exams.

Many of my students have gone on to achieve excellent results in their final exams, securing placements at prestigious universities across Europe. This experience has further solidified my commitment to helping students excel academically.
