## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

I've worked with students from various academic backgrounds, helping them prepare for exams such as IB, A-Level, IGCSE, and AP. My experience includes working with students across the UK, USA, and Europe, guiding them to achieve high scores in maths. I specialise in making complex topics accessible and focusing on core concepts for long-term success.

Over the years, I have mentored students through various levels of their academic journey, from foundational maths to advanced calculus. Many of my students have gone on to study at top universities worldwide, benefitting from my personalised and results-driven approach.
