(2011–2015)

Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

## Tutoring Experience

Over the last 9 years, I've worked with students from diverse backgrounds, helping them succeed in IB Biology, IGCSE, and A-Level Biology. My focus is on providing comprehensive support for coursework, internal assessments, and exam preparation, ensuring students excel in their studies.

In addition to IB and IGCSE, I have tutored AP Biology, guiding students through complex concepts and enabling them to achieve top scores. My experience with students worldwide has allowed me to adapt my approach to meet the needs of each individual learner.
