Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past decade, I've had the privilege of guiding students through IB and A-Level Psychology, providing support in research methodology and cognitive assessment. My background includes publishing research in psychology journals and presenting at international conferences, giving my students unique insights into both academic and applied psychology.
